ProChoices is a grassroots, social-profit, by-donation counselling clinic that offers affordable counselling to the community. The clinic is funded to date by the client donations, sponsorship and our growing practice certificate program, which provides a customized, professional development immersion, based on learner-specific objectives to enhance counselling fluency in Feminist-Narrative Therapy. We need to expand our supervision team to support our therapists.

Qualifications: Registered and Insured Clinical Counsellors/Supervisors Interested in Social Justice, Narrative Therapy, Feminism, Collectivism, Social Profit and Community Development enterprise.

Involvement is currently on a volunteer basis. Full semester commitment is preferred.
